Professional Summary

Java Developer with 2 years of experience building and maintaining web applications using **Spring Boot** and **AWS**. Strong in clean code, debugging production issues, and collaborating in Agile teams. Security-aware, documentation-oriented, and experienced working with international teams.

Technical Skills

- **Languages:** Java, Bash, JavaScript, TypeScript, HTML, CSS
- **Frameworks & Tools:** Spring Boot, Spring WebMVC, JUnit, Git, Gradle, Postman, Swagger
- **Databases:** PostgreSQL, MySQL, Firebase, SQLite
- **Frontend:** ReactJS, Flutter
- **DevOps/Cloud:** AWS (EC2), GitHub Actions, Azure DevOps (Boards, Repo, Wiki)
- **Diagrams & Design:** PlantUML, Draw.io, Figma
- **Others:** CVE Security Analysis, Redmine

Relevant Experience

Technical Specialist I - Software Developer – Alliance Software Inc.

Jul 2023 – Jul 2025

- Designed, implemented, and deployed **Spring Boot web services** on AWS.
- Participated in **Agile ceremonies** and cross-functional team discussions.
- Led the middleware upgrade research and supported the migration.
- Executed code maintenance and production debugging; resolved issues on live systems.
- Developed features like API interceptors, payload splitting, and business logic-driven CRUD operations.
- Conducted **impact studies**, created **architecture diagrams** and **logic flowcharts** for stakeholder clarity.
- Authored technical documentation for internal teams and onboarding, improving knowledge sharing.
- Validated application changes against business needs and architectural direction.
- Investigated and mitigated **40+ CVE vulnerabilities**, strengthening system compliance and client trust.
- Mentored new team members by documenting best practices and walking through project architecture.
- Collaborated with **Japanese development teams**, ensuring high standards and seamless coordination.

Software Developer Intern – Alliance Software Inc.

Jan 2023 – May 2023

- Built and tested features in a **ReactJS + Spring Boot** full-stack application.
- Collaborated with QA to deliver bug-free, production-ready code on time.
- Participated in Agile ceremonies, planning sessions, and team retrospectives.

Education

BS Information Technology, *Cum Laude*

University of San Jose–Recoletos | 2019 – 2023

Certifications

- **Microsoft Azure Fundamentals (AZ-900)** – 2022
- **PhilNITS Fundamentals Engineer** – 2022
- **Huawei Certified ICT Associate – AI** – 2022
